

LCMC Health Pharmacy Services: Your Pharmacy Partner (Urology)

Benefits of sending medication prescriptions to LCMC HEALTH PHARMACY SERVICES

1. For Clinic/Provider Team:

❖ **Prior Authorization Support**

- ✚ The pharmacy team processes the prescription prior authorizations, supporting providers and clinicians.
- Prior authorization support is only for specialty medication prescriptions covered by pharmacy benefit plans.

❖ **Enhanced communication with LCMC Health Pharmacy Staff**

- ✚ EPIC chat pharmacists individually or pharmacists' group: **LCMC Health Specialist Pharmacists**
 - Communicate via LCMC Health system emailing: LCMCClinicalSP@lcmchealth.org
 - Utilize internal physician/clinic phone line: **504-896-7228 (For Care Team Only)**

2. For Patients:

❖ **Free medication deliveries within the State of Louisiana.**

- Medications can also be delivered to clinics or infusion centers.

❖ **Faster prescription fills due to speedy, expert prior authorization services.**

- ✚ Pharmacy's PA specialists have access to patients' EHRs, which enable a more effective PA & higher approval rate.
- **EXPANDED** patient financial assistance support in collaboration with TailorMed.
- Free multi-dose medication packaging (blister packs) is available for patients.
- Patients enrolled in the LCMC Health Pharmacy Program to strengthen adherence and improve patient care.

✚ **To send prescriptions to LCMC Health Pharmacy: Select LCMC HEALTH PHARMACY SERVICES via EPIC.**
